*Here's to our minutemen, patriots every one,
 Marching on the rainy days as well as in the sun.
 Fall into line boys, steadfast are we,
 Ready with our music we're a marching symphony.*

*It's lots more than a hobby, an important need.
 Know that justice and democracy are basic to our creed.
 So, dress up those ranks boys let's stick to the plan, we're
 Men of Tomy, fifes and drummers, led by Maryanne*
